Earl F. Hurst, MD, President, Moreton & Company

Earl joined Moreton & Company as Executive Vice President in June 2010. He was recently named President of the firm in August 2011. Specializing in providing commercial insurance, risk management, surety, personal insurance, employee benefits, financial services and retirement plans to hundreds of companies; Moreton & Company serves a diverse group of clients – from small businesses to large publiclytraded corporations and government organizations of all sizes. One of the 100 largest insurance brokers in America, Moreton & Company employs more than 175 professionals in four states and places more than \$500 million in annual premiums with the world's leading insurers.

Earl has nearly 30 years of experience in the health and insurance industries, including both start-up and established health care companies. Before joining Moreton & Company he was the President of Humana Inc.'s Utah operations. Earl received a Bachelor of Arts Degree in Communications from Brigham Young University.
